

ANZ DOWNLOAD INSTRUCTIONS

1. Select Account

The screenshot shows the ANZ online banking interface. At the top is the ANZ logo. Below it is a navigation bar with several menu items: Accounts, Pay and Transfer, Apply For, Update Details, and SecureMail. The main content area is titled "View Accounts" and contains a table with the following columns: Account Name, Account Number, Current Balance, and Available Funds. The first row of the table is "Access Cheque Account". Below the table, there are three links: "Download Transaction History", "Donate to over 30 Charities", and "Rename and reorder account list". A yellow box labeled "Click" with an arrow points to the "Download Transaction History" link.

Account Name	Account Number	Current Balance	Available Funds
<u>Access Cheque Account</u>			

[▶ Download Transaction History](#) [▶ Donate to over 30 Charities](#) [▶ Rename and reorder account list](#)

2. Export Transactions to file

The screenshot shows the ANZ e-trade interface for downloading transaction history. The page has a blue header with the ANZ logo on the left, 'Contact us' and 'Log out' buttons on the right, and a navigation menu with 'Accounts', 'Pay and Transfer', 'Apply For', 'Update Details', and 'SecureMail'. Below the header, there are 'Help' and 'Print' icons. The main content area is titled 'Download Transaction History' and contains the following elements:

- Account:** A dropdown menu currently showing 'Access Cheque Account'. A yellow circle with the number '1' and an arrow points to this dropdown.
- Date Range:** A dropdown menu currently showing 'Last 120 Days'. Below it is the text 'OR' and 'Provide a date range within the last 120 days:'. There are two input fields for dates, each with a placeholder '(DD/MM/YYYY)'. A yellow circle with the number '2' and two arrows points to the 'Last 120 Days' dropdown and the date input fields.
- Software Package:** A section with the heading 'Software Package:' and a paragraph: 'To download the transactions within the period you have specified, select the required software package (file type) and click on the 'Download' button. Once the download is complete, you can open the file in the appropriate software package.' Below this is a dropdown menu currently showing 'Microsoft Excel(CSV)'. A yellow circle with the number '3' and an arrow points to this dropdown.
- Buttons:** At the bottom left is a blue 'Cancel' button. At the bottom right is a green 'Download' button. A yellow circle with the number '4' and an arrow points to the 'Download' button.
